

CEDAR CREST COLLEGE

Observational Experience for the Cedar Crest College Nurse Anesthesia Program Applicant

As part of the application process, the applicant is required to schedule an observational day with a Certified Registered Nurse Anesthetist (CRNA) for one eight hour shift.

- This is an observational experience only. There is no patient care of any kind given by the applicant.
- The applicant must abide by the policies and procedures of the institution.
- The observational experience must be in an Operating Room (OR) or a Non-Operating Room Anesthesia (NORA) clinical area within the institution. Medical or dental offices are not acceptable.
- The applicant must have the form signed by the CRNA at the end of the observational experience and upload it with the application.

If there are any questions regarding this form, please contact the School of Adult and Graduate Education at 610-740-3770.
